

RIO 2016 AWARD

The Rio 2016 Award was created by LABRE to celebrate the Olympic and Paralympic Games in Rio de Janeiro in 2016.

The Rio 2016 Award 2016 will be given to any amateur to perform contacts with different Brazilian stations, from August 01, 2016 to September 30, 2016, in 3 (three) categories as follows.

BRONZE Medal: form the words RIO DE JANEIRO with the last letter of the Callsign (example: PY3UER PT22GMI + + + PP6ALR PY7BO).

SILVER Medal: in addition to the requirements of the Bronze Medal, make QSO with other 6 different Brazilian stations forming the word BRASIL with the first letter of the target suffix. (Example: ZX3B PS7RE PV8ABC PY44SEB PY2IW PY11LCD).

Note: Different stations of Rio de Janeiro State (PY1 and PU1 JAA to PU1YZZ) can be used as wild cards to replace up to 3 letters. (Example: PY3UER PT22GMI + PY1XY + PP6DAL + PU7EKZ + PY11GRX + PS88AMW + ... + ... or PQ2BR + PW8RT + PP5AXY + PU1WWV + PR7IP + PT9LG)

GOLD medal: Teet the requirements of category Silver without using any joker

QSOs made are valid in any HF band or in any mode of transmission. They are not valid QSO via VoIP links (EchoLink, IRLP, etc). The repetition of QSO with the same station is not valid. No endorsements by band, mode or power.

It's not necessary to be in possession of the QSL for proof of QSO's, but the applicant must state in the request, in his honor, all QSOs were conducted obeying the Law and this regulation.

Requests must be made through a log with QSO data as form attached and sent to rio2016@labre.org.br and requests will be met routed through December 31, 2016.

Rio 2016 Award is free and will be sent to the requester in file form. The requester will be responsible for printing and the official size is A4 sheet.
